- 10-H & 10 DS Series (qty: 2 min)
- HD Mechanical Supports (qty: 4 min)
- Bridge Crossovers, Walkway, Service Platforms & Ramps (qty: varies)

PRODUCT DESCRIPTION

MIRO Industries custom support pads are designed specifically to fit the MIRO polycarbonate non-penetrating supports. The slip resistant pads are designed with a small lip to hold the base to the pad and reduce movement on the rooftop. The holes in the pad saves weight and allows for venting and drainage. The pads are heat molded using 100% recycled rubber.
